Our mission is to spread world peace

We believe inner peace is the foundation of world peace

Inner peace comes through the practise of human values

We subscribe to the 7 human values of Gratitude, Forgiveness, Love, Humility, Giving, Patience & Truth

Each human value represents one day of the week, with Monday represented by Gratitude & so on

We wish each other depending on the day of the week, hence on Wednesday we wish each other, "Happy Love Day" & so on

Our movement is non-religious. You can continue practising your religion.

- 1 **It** is a perfect number. In number theory, a perfect number is a positive integer that is equal to the sum of its positive proper divisors, that is, divisors excluding the number itself. For instance, 6 has proper divisors 1, 2 and 3, and  $1 + 2 + 3 = 6$ , so 6 is a perfect number. The next perfect number is 28, since  $1 + 2 + 4 + 7 + 14 = 28$
- 2 **There** are 28 Mansions of the Moon, which show the progress of the moon against the fixed stars.
